A Dynamic Approach to Faith Instruction:

*“Bringing the Beatitudes to
Life”*

Through Membership in

**THE
HOLY CHILDHOOD ASSOCIATION
CANADA**

WHAT IS THE PURPOSE OF THE HCA?

There are three main purposes behind the Holy Childhood Association: **THE FIRST:** is to encourage our children **to pray** for the children of the world, so that all children may know Jesus.

THE SECOND: is to help our children to learn more about the world's children. Educational materials for use in promoting and teaching children about Mission Work are **FREE OF CHARGE**. Posters, prayer cards, membership cards and Mission Banks may all be obtained from the National Office. Use the order form which can be downloaded from our website. Liturgical year materials, a letter for parents and Guidelines for School/Parish Mission Day Celebrations are also available and may be downloaded from our website. Newsletters and teacher/catechist guides may be ordered using the order form, or downloaded, as suits individual needs.

THE THIRD: is to encourage our children to **sacrifice for and share with** others in the hope that such practices become part of their later years.

IN THE BEGINNING...

The Holy Childhood Association began in 1843 in the country of France. Bishop Charles de Forbin Janson, the Bishop of Nancy wanted a way to join the children of France with children from around the world. His idea was to encourage French children to say a prayer and make a small financial contribution for the children in China. His idea spread rapidly and today, The Holy Childhood Association is now a worldwide mission club in over 120 countries. Each participating country has its own National Office - ours is in Toronto (Scarborough), Ontario. Volunteer diocesan Directors or Coordinators are appointed by the local Bishop for each diocese throughout Canada to help organize it.

In 1931 Archbishop Duke of Vancouver, BC, obtained Pope Pius XI's permission to form our own Association. In December 1933, Holy Childhood was officially inaugurated in Canada for children of elementary school age.

WHY SHOULD I START A HOLY CHILDHOOD CHAPTER WITH MY STUDENTS?

There are plenty of secular and quasi-religious organizations asking for our involvement in their causes. Many of them are well respected and should be complimented for the work they do. But the Holy Childhood Association (HCA) can do for your students what other organizations cannot: HCA provides you, the teacher/instructor with a unique, **Catholic-based instructional model** that combines faith instruction for elementary aged children with practical, on-going instruction in the needs of their fellow children around the world. Whether you are working in a classroom or church hall or at a kitchen table, the HCA is the most effective way to combine Catholic instruction with humanitarian outreach. The HCA model is approved by Catholic School Boards across Canada and provides lesson materials that match the outcomes prescribed for Catholic religious instruction. What a great way to teach religion and involve your students in helping other children around the globe.

Unlike other secular organizations, The Holy Childhood Association offers them the unique opportunity to combine their Catholic faith with works of charity. By our baptism, all of us are called and sent to “**...Go, teach all nations...**” to spread the Good News about Jesus. The HCA aims to meet this calling by developing mission awareness in children and, through them, in adults.

THE HOLY CHILDHOOD ASSOCIATION IN SCHOOLS/PARISHES

1. The **Holy Childhood Association** can be incorporated into the regular Religious education program at all grade levels.
2. The **Holy Childhood Association** can be formed as a children's mission club in the school, or an activity for an already-existing children's group.
3. The **Holy Childhood Association** and its activities are a natural fit with the preparation for Reconciliation, First Eucharist or Confirmation.

HOW DOES THE HCA HELP CHILDREN?

The Holy Childhood Association aims to help the greatest number of children possible. It channels aid to institutions and organizations in the developing world concerned with children below the age of 14. Nursery and daycare centres, dispensaries, schools, maternity hospitals, and handicapped centres are among the many beneficiaries of **Holy Childhood Association** assistance. **100% of all funds collected by our children go towards assisting children in need around the world.**

It is important to note that many more adult volunteers are needed to give the children in parishes and schools across Canada this unique opportunity to develop their **faith through action** by living the Beatitudes and aiding others. Our children are eager to get involved; it takes a caring adult to give them the opportunity to do so.

I HAVEN'T GOT MUCH TIME IN MY SCHEDULE ALREADY. ISN'T STARTING AN HCA CHAPTER JUST ADDING TO MY WORKLOAD?

Not at all. If you are an animator or instructor working at the parish level, you may be scrambling to find materials that are recent and relevant to your students. If you are a teacher facing an over-crowded schedule, HCA is just what you need. We provide materials and support throughout the year for your use. These can be either ordered or downloaded, as outlined earlier.

**IT'S PROBABLY VERY COMPLICATED
AND TIME-CONSUMING TO SIGN UP,
RIGHT?**

It couldn't be easier! Here's how you do it:

- Visit the web-site www.missionsocieties.ca. You will see a heading for Holy Childhood Association. Click on it and browse. You will find some materials available by downloading from the site. Other materials can be ordered from the national office, as per the order form. All materials can be reproduced for your lessons.
- You can use this web-site to contact us directly, or go to hca@missionsocieties.ca. We love questions!
- You can also phone or write the National Office:

- If you require Newsletters and/or guides, fill out the Order Form with the quantities required for each grade level (Primary, Junior, Intermediate) allowing one for each student. Newsletters are published in the autumn and winter. By ordering the Autumn Newsletters, you will automatically receive the winter set of Newsletters in late January or February in the same academic year, unless otherwise requested. Indicate what other materials you require from the office. All materials are free. Download any other material you require, and feel free to duplicate these materials as needed.

HOW DOES THE HCA HELP CHILDREN?

The Holy Childhood Association aims to help the greatest number of children possible. It channels aid to institutions and organizations in the developing world concerned with children below the age of 14. Nursery and daycare centres, dispensaries, schools, maternity hospitals, and handicapped centres are among the many beneficiaries of Holy Childhood Association assistance. All money (100%) collected by our children goes towards assisting children in need around the world.

HOW DO I PRESENT THE PROGRAM?

- a) Read through the materials. Tell the children about CHILDREN HELPING CHILDREN® and the Holy Childhood Association.
- b) Give each of your students a copy of the most recent Newsletter and Prayer Card. The material contained within will provide good discussion points for you to start the program. The Catechist/Teacher Guide will assist you.
- c) Select one day in the week, perhaps Friday, and make it “Mission Day”. Celebrate it with a special prayer and story taken from the newsletters. Encourage the students to develop their own spontaneous prayers for the children highlighted in the newsletters.

WHAT NEXT?

While this program is centered on **PRAYER** and **KNOWLEDGE**, it is hoped that the educator will lead the children to **WANT TO SACRIFICE**. Years ago, when the Association began, a penny was a sacrifice. Lead the children to truly understand the meaning of sacrificing – of sharing. The class could plan, as a group, a way to help other children through fundraising. A bake sale, hot dog sale, walk-a-thon or skip-a-thon could be planned. The Pontifical Missions magazine, Missions Today (also available through us) provides stories about HCA students and their work for others in each issue. Contact us if you want a copy.

OR

Individual students may wish to use their own Mission Bank (a small, personal carton available free from the National Office).

OR

At a special “Mission Day Mass” a collection could be taken up by the students to help the children of the country they are studying and to which Holy Childhood Association funds are being sent.

Again, remember that

**ALL MONEY (100%) COLLECTED
BY
CHILDREN
IS EXCLUSIVELY EARMARKED
FOR
CHILDREN**

**WHAT SHOULD YOU DO WITH THE
MONEY COLLECTED FROM THE
CHILDREN?**

1. Count the money, bank it and make the cheque payable to **Holy Childhood Association**.
2. Mail the cheque to the Holy Childhood Association c/o National Director, 2219 Kennedy Rd. Toronto ON M1T 3G5.
3. Please indicate **clearly** where the donation is from, i.e., school, grade, complete address, educator, and diocese.
4. Upon receipt of the donation, all of which will be sent to the Missions, your school/parish will receive: a thank-you letter and receipt; an Appreciation Certificate(schools only), suitable for framing, for the school.

IS THERE A COST FOR THE MATERIALS?

There is NO charge for any of the materials available from the National Office. Other donors make it possible for us to offer the material free to students. Great care is taken to keep operational expenses as low as possible. It is our hope that those who use the materials will make a contribution to the Holy Childhood Association.
