PRIMARY NEWSLETTER - LENT 2024

Welcome to 2024 and our first Newsletter of the year.

Guess what!?! Already we are starting to anticipate the Easter season! This year, Easter is on Sunday March 31. This means that Ash Wednesday is on February 14, not far away at all! This is earlier than last year, and maybe only just far enough away from Christmas for us to be out of that Christmas spirit. Maybe!!

It is important to remember that the needs of children in less fortunate countries are still great, and that we are in a position to help them. In this Newsletter, we will

direct out attention to the very popular country of **Kenya** in East Africa: a land of contrasts!

SPOTLIGHT ON THE FEDERAL REPUBLIC OF KENYA

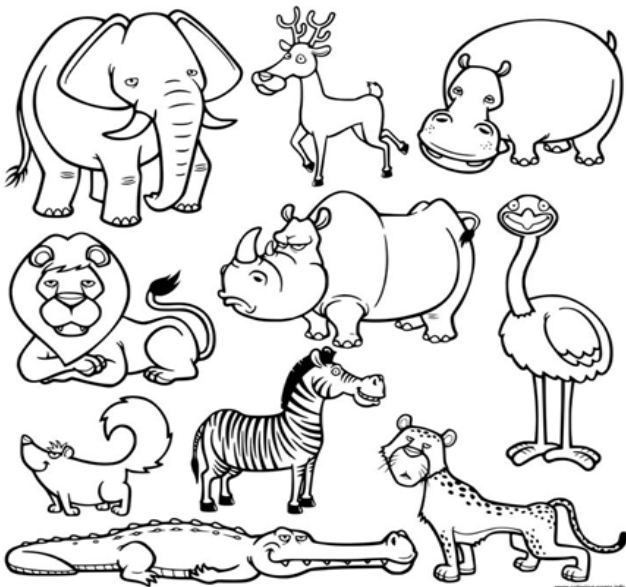

TAKE A SAFARI

What immediately comes to your mind when you think or hear about what you could see in a trip to Africa? I'll bet that many of you immediately think of wild animals: lions, tigers, elephants, leopards, zebras, colourful strange looking birds, snakes and other wildlife not seen in Canada. You are correct.

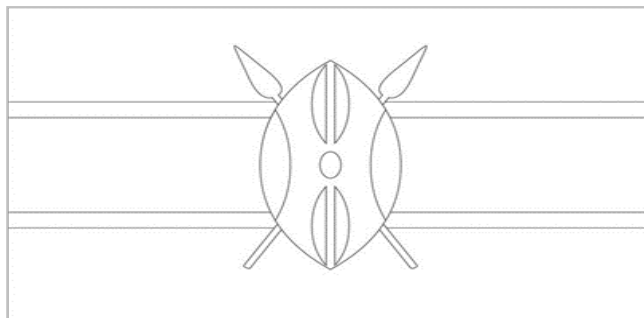

Animal wildlife is very prominent in Kenya and visitors are able to see them quite easily. There are several National Parks in Kenya. Tourists can go on safaris to safely see the wide variety of animal life for which Kenya is famous.

WILD ANIMALS

NATIONAL FLAG

The Kenyan National Flag is one of the most distinctive flags in the world. Like our Canadian flag, it stands out when displayed at international events when surrounded by flags from around the world. The red colour represents common blood for all mankind; the black represents the indigenous people; the green for the fertile landscape and the white for peace. The Maasai shield and spears represent the struggle for self-government. Have fun colouring yours!

ATHLETICS

Faith Kipyegon (Aljazeera)

Eliud Kipchoge (CBC)

Kenya has had a long history of distance running champions. This has continued even today. In June of 2023, Faith Kipyegon won 1500m in a world record time of 3.58.57 in Florence Italy. In Budapest in August at the World Championships, she broke the world record in the 5000 m in 14 min 5.20 sec. Long-distance runner Eliud

Kipchoge claimed his second straight Olympic gold medal in the men's marathon at the Tokyo Olympics in 2020. The 36-year-old world record holder finished with a time of two hours, eight minutes and 38 seconds.

THE MAASAI

The Maasai are probably known for their high jumping skills, their red dress and their reputation as warriors. Today, their dancing, dress and village design are popular with tourists.

LENT 2024

So, as was mentioned previously, Lent begins on Ash Wednesday February 14, with Easter Sunday following on March 31. You must be getting excited about the coming of Spring and Easter. Your teacher will work with you about what Lent is and how you can observe it.

Here are a few ideas that you can try to help you get into the spirit:

1. Do someone else's chore
2. Give someone a hug
3. Help someone
4. Make a card for someone
5. Do something nice for Mom/Dad
6. Say something kind to a family member
7. Say something kind to a friend
8. Play with someone different at recess
9. Smile at as many people as you can
10. Fast from dessert

POPE FRANCIS' 2023 LENTEN MESSAGE

The Pope's 2024 message is not available at this time of writing. In 2023, his message was quite simple:

"We need to listen to Jesus. Lent is a time of grace to the extent that we listen to him as he speaks to us through Scripture."

Lenten Prayer

Teach me a new freedom.
Freedom to reject comparison and to embrace uniqueness.
Freedom to cut ties with greed and feast on love.
Freedom to abstain from over indulgence
and feast on self-control.
Freedom to leave behind selfish thoughts
And to focus on the needs of others.
Freedom to fend off insecurity and to embrace grace.
Lord, at this time of Lent,
Thank you for the freedom you bring. Amen.

HCA PROJECT IN KITUI DIOCESE, KENYA

The HCA is presently contributing to the St John Eudes Rehabilitation Centre, founded in 2001. The school is located in the city of Kitui, which is approximately 150 km east of the capital city of Kenya, Nairobi. It is operated by the Catholic Diocese of Kitui. The student population consists of children who due to challenging economic and social conditions have been forced to live on the streets. The Centre aims to provide for their education and to promote lifestyle growth and provide emotional, psychological and material support. The aim is to integrate these students back into their families and communities.

Presently, the Centre is able to accommodate 46 boys and girls. By 2001, 700 children had been rehabilitated back into their homes and communities.
