Dear Friend of the Holy Childhood Association,

As Advent draws near, we prepare our hearts to welcome Christ, the Light of the World. It is also a time to give thanks for the many ways your prayers and generosity have brought hope to others throughout the past year.

Through your support of the Pontifical Association of the Holy Childhood, you help bring hope, faith, and practical assistance to children in need around the world. Your generosity touches countless lives and makes a meaningful difference in communities across the globe. By participating in the mission of the Holy Childhood Association, you are helping children learn to pray for their peers worldwide, share their faith and offer what they can to help others. Together, we are forming young missionaries of hope who reflect Christ's love through prayer, knowledge and sacrifice.

In the diocese of Iringa, Tanzania, the Consolata Missionary Sisters' House of Joy offers orphaned and vulnerable girls a place to live, learn and prepare for the future. Alongside their education, the girls gain practical skills through a livestock rearing and vegetable-growing project, which helps provide food for the community while equipping the girls with skills that may open doors to employment. The **House of Joy** is a place where care received today can help a young person look to tomorrow with hope.

As we prepare to celebrate Christ's birth, I invite you to make a gift to the Holy Childhood Association. Your generosity helps us continue encouraging young missionary disciples and supporting children in underprivileged communities. Whatever you can give, please know that your gift, together with your prayers, is a meaningful expression of solidarity with children around the world and right here in Canada.

May this Advent renew your hope. May the Lord bless you and your loved ones and may the light of Christ fill your hearts and homes this Christmas and throughout the year ahead.

With heartfelt gratitude, and the assurance of my prayers,

+John A. Boissonneau
